## about

**hello!** my name is **morgan p. hill** 😊 you will often find me in a place where i can get my hands dirty, because much of my work relies heavily on a physical process, result, or both. i am in the final stretch of completing a second major before fully dedicating my enthusiasm and creativity to my future adventures.

fun fact: i actually love repetitive, mindless tasks

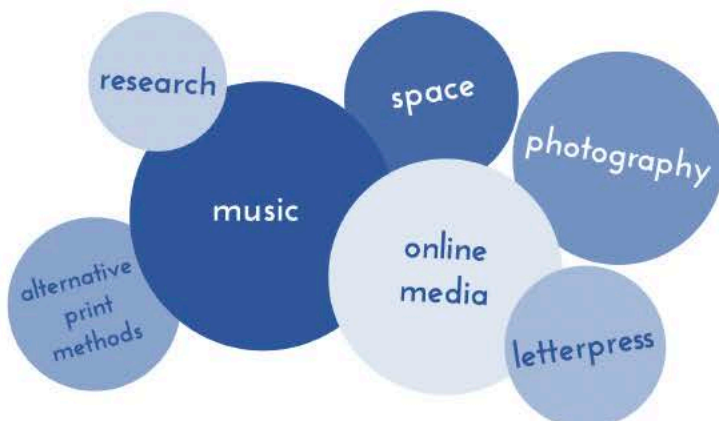

## education

**montana state university - bozeman, mt**  
july 2020 - december 2024

bachelor of fine arts (with honors)  
graphic design  
studio arts with a concentration in printmaking
